OPEN ENROLLMENT ENTRY LEVEL ROOM CLEARING

Our two-day room clearing/CQB course is for the civilian or operator that wants to learn combat-proven techniques of clearing a house or structure both aggressively and safely.

This course is designed to safely conduct dynamic and static room clearing. This is an intense, dynamic and physically challenging course that works on weapon retention skills, shooting CQB skills, individual and team movement, and many other tactical skills.

Our basic program runs for 2 days and includes live-fire as well as force-on-force against role-players with Sims/AirSoft conducted on our range and our new shoot house facility.

Date: Check the Calendar For the Most Current Course Dates

Prerequisites: Basic Pistol &or Carbine Skills

Cost: **\$450.00 per student**
