17. Click on the correct course date to get a printable Certificate.

Each category has a different process for submitting its completion to DCJS. Below is a step-by-step guide regarding the process for each category.

#### **DCJS In-Service:**

Once you pay for the course, you have 30 days to complete it. The course is done at your own pace, and led by you, the student. There is no specific start date and time of class. You read the slides yourself.

There are knowledge check questions throughout the course. These questions are graded and you must pass them with a minimum score of 70%.

Once you have passed the course, the system will send you a certificate to the email address you used for your login information. The online system will automatically send in your DCJS results at the top of every hour. Once DCJS confirms receipt of your completion, we will email you a Training Completion Form.

\*\*\* If you receive a Training Completion Form from us, DCJS has received your training\*\*\*

### **DCJS Re-Qual:**

Once you pay for the course, you have 30 days to complete it. The course is done at your own pace, and led by you, the student. There is no specific start date and time of the class. You read the slides yourself.

There are knowledge check questions throughout the course. These questions are graded and you must pass them with a minimum score of 70%.

The course will show as 100% completed but won't produce a certificate. Per DCJS regulations, once you have completed the online portion, you will need to go to the range and qualify (see below for contact details).

\*\*\*The course is not marked complete until **BOTH** the <u>**CLASSROOM**</u> portion and the <u>**RANGE**</u> portion are complete\*\*\*

If you are qualifying with one caliber and action type and bring your own firearm and ammo, there will be no additional cost to you! Once you have completed the online portion you can contact us by calling 540-322-3000 or (preferred) emailing us at <u>ccjafrontdesk@gmail.com</u>.

Once you have passed the Range Qualification Course, we will provide you with a Training Completion Form. Once we get back to the office will mark you complete in our system.

Once you have been marked complete, the system will send you a certificate to the email address you used for your login information. The online system will automatically send in your DCJS results at the top of every hour.

\*\*\* If you receive a Certificate from us, your training has been sent to DCJS\*\*\*

#### Intermediate Weapon:

Once you pay for the course, you have 30 days to complete it. The course is done at your own pace, and led by you, the student. There is no specific start date and time of the class. You read the slides yourself.

There are knowledge check questions at the end of the course. These questions are graded and you must pass them with a minimum score of 70%.

Once you have passed the course, the system will send you a certificate to the email address you used for your login information.

\*\*\*This course does not get submitted to DCJS, so you will only receive a Certificate\*\*\*
