

Military Courses Eligibility

1. You must be current U.S. military with an MOS that requires the training requested and have current active military ID.
2. Military ID must be presented on the first day of class.

Military Courses Requirements

Course requirements and gear list will be provided upon course registration via email.

Note:

Students failing to meet and maintain our safety requirements and/or who cannot meet and immediately demonstrate the minimum skills required for the specific class may be removed from training. Please ensure you have read through the class description and fully understand our eligibility and prerequisites before registering.
